This seems to me to be a peculiar description of semi personal and semi service grant. From a Takeed issued by the Jhagirdar of Malloor dated in A.D 1780, it appears that one Krishnachar Grandfather of the present receipient enjoyed an allowance of 2 Fanams monthly which should be continued in most molestation as that amount was appropriated for the purchase of Ghee for a Lamp to be Kept at the time of worship of Venkatramanaswamy in the family and in the house of the said Krishnachar - In Poornialis order dated in 1800 this allowance was continued for the same purpose. H H. the late Maharajah in Neroop dated 24th Dec 1825 restored the allowance to the first named party in Col. 6 which was placed under attachment on the death of his father Enjoining the above mentioned condition of service. On the death of the Said Govindachar the present allowance of Rs 2-13-0 was ordered to be registered in the name of the party in Col. 7 in Hookoomnama of.

But as the object of the grant was for certain Service, I recommend the allowance of Rs 2-13-0 to be confirmed and continued so long as it as rendered.
